Glazed Porcelain Â· Wall

OVERVIEW

This collection of decorative coverings comes in six solid colors, each with a matte, soft-touch finish. The selection is the result of meticulous color research, offering a range of refined, muted tones. The bas-relief texture stands out, presenting a retro yet timeless pattern that fits beautifully in both classic and contemporary spaces. These tiles are perfect for infusing a touch of elegant sophistication into any room, creating a smooth and soothing atmosphere.
