Dot

Porcellain Stoneware Â· Floor Wall

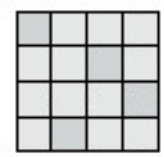
OVERVIEW

Once, our spaces were shaped by brick and stone. Then came reinforced concreteâ€”redefining not just structure, but style. With its cool, muted tones and naturally varied textures, it introduced a new aesthetic: raw, minimal, yet full of life. Every surface tells a slightly different story, shaped by the way the material flows and settles. DOT embraces this expressive quality and elevates itâ€”offering a way to bring the bold character of modern architecture into interiors, creating spaces that feel both timeless and unmistakably contemporary.

PRODUCT SPECIFICATIONS

Product Type	Porcellain Stoneware
Usage	Floor Wall
Sizes	120.8x120.8 60.4x120.8 60.4x60.4 Deco Dot 60.4x120.8 Deco Dot 60.4x60.4 Deco Dot 30.2x120.8 Thickness: 9mm
Finishes	Nat
Tech Data	R10
Origin	ITALY

VARIATION



V3
