Gubbio

Wall Floor

OVERVIEW

Handcrafted from low-density earthenware clayâ€”timeless terracottaâ€”each piece is inherently unique. Shaped by heritage techniques passed down through generations and perfected across cultures, then fired in traditional wood-burning kilns to reveal natural textures and tones.

PRODUCT SPECIFICATIONS

Product Type	N/A
Usage	Wall Floor
Sizes	100x100 50x50 50x150 175x155 106x106 Thickness: 12-15
