I Ciottoli

Porcelain Stoneware Â· Floor and Wall

OVERVIEW

I CIOTTOLI is a porcelain stoneware collection inspired by a distinctive limestone, enhanced with varied grain sizes that create a rich, dynamic surface. The Sabbia version offers gentle, subtle movements, while the Sassi version features bolder, more pronounced textures. Drawing inspiration from the timeless allure of ancient Italian stone, these modern finishes come in five shades, providing versatile, sophisticated, and elegant options for both flooring and wall applications.
